COMPUTER SEMINAR
#####

The COMPUTER SCIENCE DEPARTMENT would like to hold a Seminar
during one of the following weeks in January :

JANUARY 4 - 8
JANUARY 11 - 15
JANUARY 18 - 22
JANUARY 25 - 29 OR on another date, if suggested ...

If enough people are interested (faculty, staff or students),
Computel Ltd. will present a one-week seminar on 360 JCL and
Utilities - Introduction to 360 job control and utilities for
programmers with little or no 360 experience.

PREREQUISITES : Introduction to Computer Programming or previous
programming experience.

This one-week course explains **HOW** the computer is used and **WHAT**
can be done with it.

.

If you are interested in attending the seminar during one of
the weeks mentioned above (the Monday attendance is most important)
please contact Professor R. Beyar, Computer Science, at Loc. 298 or
301.
